# LASCON® B41-RETROFIT

**Photometric Diagram** 

## 150° 180° 120° 120° 90 90° 200 60° 400 600

cd / 1000 lm Luminaire Efficiency: 84%

---- C90 / C270

### Life/ Maintenance

- 100 000hrs LED Driver Average Rated Life
- 54 000hrs (L80 F10, TP 45°C) LED Life

## Application

- Tunnel
- Industrial
- Conveyor
- Security

- 5 Year warranty
- Built-in surge Protection (optional extra 10kA/10kV available)

#### **Product Features and Accessories**

High colour rendering index CRI > 80

- C0 / C180

- Colour temperature 4000K (3000K and 5000K on request)
- Tridonic LED modules and driver
- Ambient temperature: -25... +80°C
- Borosilicate clear tempered glass or polycarbonate cover available (ordered separately)
- Designed to be retrofitted in existing B41 luminaires
- Replacement luminaire glass or polycarbonate lens available as optional extra
- Wide beam and narrow beam optics available
